Fluorescent Bulb Recycling Program

Used fluorescent bulbs require special handling because they contain a small amount of mercury. Minnesota law states that fluorescent bulbs cannot be disposed of in your household garbage. Public Utilities encourages the proper disposal of fluorescent bulbs. Take used bulbs to the participating stores listed on the coupon and receive a $.50 off the recycling fee for each bulb.

**Fluorescent Bulb Recycling Program**

**Recycling is good for the environment and it’s the law!**

Take your used bulbs and one coupon per bulb to a store that participates in a bulb recycling program. You can receive 50 cents off the recycling fee for each qualifying bulb you recycle. Qualifying bulbs: Circular tubes, U-bend fluorescent tubes, compact fluorescent bulbs, high-intensity discharge lamps, fluorescent tubes up to eight feet in length. Coupon valid only when completed. This is a limited funding program - coupon valid while funds last.
